## Product Data Sheet

**Product Name** | **Gekko PSA**
---|---
**Cat. no.** | **49900053** Gekko PSA, 200 mm (8”) dia.  
**49900054** Gekko PSA, 250 mm (10”) dia.  
**49900055** Gekko PSA, 300 mm (12”) dia.

**Revision** | **24-01-2017**

**Description** | Self adhesive Gekko Foil for use with SiC Foil or self adhesive consumables. To be glued on an aluminium disc.

**Material** | Round sheets of self adhesive foil with high friction surface.

**Properties** | Equipped with a self adhesive backing for secure fixation on an aluminium disc.  
Re-usable.

**Application** | Fixation of polishing cloth and SiC foil. The user must follow the Instructions for Use for correct work procedure.

**Health and Safety**
- Whilst the Gekko PSA is rotating, ensure hands are kept well clear of the edge and out of the splash bowl.

- Do not exceed a rotational speed of 600 rpm.

To the best of Struers’ knowledge, the products listed above do not contain any Substances of Very High Concern (SVHC) according to REACH regulations (amended on 20th June 2016) at or above 0.1%.

According to Hazardous Products Act (HPA) Section 2 this product is considered a manufactured article and defined as “any article that is formed to a specific shape or design during manufacture, the intended use of which when in that form is dependent in whole or in part on its shape or design, and that, when being installed, if the intended use of the article requires it to be installed, and under normal conditions of use, will not release or otherwise cause an individual to be exposed to a hazardous product”.

Therefore this product is exempted from WHMIS 2015 obligations on classification and labelling under stated normal conditions of use (HPA Section 12, point (i)).

See the Instructions for Use for more information.

**Skin protection** | Wear protective gloves during use.
Respiratory Protection

It is recommended that the grinding machine is adequately ventilated during use of Gekko PSA.

Environmental precautions

Dispose of waste and residues as metal waste or landfill in accordance with local regulations.
